Forecast For Wales
Issued by Met Office Exeter
at 1600 on Tuesday 06 Jul 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Showery outbreaks of rain persisting overnight.

This Evening and Tonight:
Rather cloudy with outbreaks of showery rain across many parts of Wales this evening. Further showers will move in through the night whilst winds ease. Minimum temperature 13 deg C (55 deg F).

Wednesday:
Cloudy to start with showers for some. Brighter in the afternoon but with further showers, heavy at times with possible thunder. Turning drier later as showers ease. Maximum temperature 19 deg C (66 deg F).

Outlook for Thursday to Saturday:
A mix of sunny spells and daytime showers through the outlook. Showers mostly light on Thursday and Friday. A risk of some heavy showers again by Saturday.
